AQHA SUPREME RACEHORSES

The AQHA Racing Council established an award in 2002 to recognize any racing American Quarter Horse which during its career earns $500,000 or more, wins two or more open Grade 1 stakes and at least 10 races.
American Quarter Horses that received this honor retroactively raced in stakes races prior to 1983 and qualified because those races were considered the equivalent of a current Grade 1 stakes race.

A total of 101 Quarter Horses have received this award – race records as of December 31, 2011
2012 award winner is COLD CASH 123.
