The Incentive Fund is a multimillion dollar program involving stallion and foal nominations with pay backs made annually to the owners and nominators of the competing horses. Enroll your stallion by November 30, **PRIOR TO THE BREEDING SEASON THE NOMINATION IS FOR** to make his foals eligible for nomination.

- Fees are based on the number of mares listed on the previous year's stallion breeding report. (The fee schedule is listed below)
- Once enrolled, his foals born in the subsequent year are eligible to be nominated to the fund.
- The nominated foals that compete in amateur and open division of AQHA shows earn points that become money at the end of the year.
- Beginning in 2012, owners of Incentive Fund nominated horses annually pay a $50 license fee for amateur and $50 license fee for open competition in order for the horse to earn Incentive Fund money.
- One hundred percent of the license fees are put in the Fund for that year.
- Stallion owners and nominators will still receive their portion of the payouts (based on points earned by all eligible horses) even if the owner did not pay the annual license fee.
